## **BURSARY APPLICATION FORM**

(For Yr12 Entry – September 2019)

## **Confidential Statement of Financial Circumstances**

Please read the Guidance Notes at the end of this document before completing this form

#### Assessing your application – Data Protection considerations

The School reserves the right to make all decisions regarding your application for a Bursary, but may employ the services of Bursary Administration Limited (BAL) to prepare the information, which is used to make the decision.

This means that, for the purposes of your application:

- The School is the Controller of your information
- BAL is the Processor of your information
- BAL is registered with the Information Commissioner's Office and has satisfied the School as to its arrangements regarding the security of any information and documents you may provide as part of your application

Please note that no application will be considered unless the process as detailed below is followed. IN MAKING THIS APPLICATION AND COMPLETING THIS FORM, YOU WILL HAVE CONSENTED TO THE PROCESSING OF FINANCIAL AND PERSONAL DATA RELATING TO THE APPLICANTS, PERSONAL DATA RELATING TO THE CHILD, AND SENSITIVE PERSONAL DATA RELATING TO THE APPLICANTS AND THE CHILD. RELEVANT INFORMATION MAY BE OBTAINED FROM THIRD PARTIES. YOU ALSO CONSENT TO THE FOLLOWING PROCEDURE:

- 1. You will complete this Application Form and send directly to the School. Supporting paperwork as required must be included.
- 2. The Application Form and the supporting paperwork may be scanned and forwarded by the School securely to BAL using Microsoft SharePoint so that BAL may prepare the information in the format required by the School.
- 3. The School or BAL will contact you to arrange for a home visit if this has been required by the School, or to make enquiries, which will ensure that any paper financial review is as correct as it can possibly be.
- 4. BAL will send its report on your application securely to the School through SharePoint and will then withdraw from the process unless the School has any further enquiries it wishes BAL to make.
- 5. BAL will return any original documents securely to the School, shred any scanned/photocopied evidence documents securely using an authorized service and scan and store securely on SharePoint its notes regarding your application; these notes will then be shredded securely using an authorized service. This process is undertaken once per year, and any papers (not your original supporting documents) will be held securely until then.
- 6. Your electronic records will be kept securely on SharePoint by BAL, and will be deleted four years after they are no longer required.

Please be assured that this process is undertaken for the purposes of considering your application for a Bursary only, and your information will not be passed to any third party or used in any other way whatsoever.

BAL can arrange to share reports between Schools if you are applying to more than one school for a bursary, but this will not be done without your written permission (email will suffice), and the permission of the School on whose behalf BAL first visited.

You are entitled to request that your information be deleted permanently at any time.

It should be noted that the report produced by Bursary Administration is the property of the School and the Information Commissioner's Office regards your report as confidential and exempt from the provision of Subject Access Requests.

I/we have read the above and consent to my/ours and the child's/children's information being processed in the manner described above:
