Dear Parent

**Extended Project Qualification Visit Day  
Manchester University, Tuesday 5<sup>th</sup> November 2019**

We have reserved places on the above study course for those planning to enter for the Extended Project Qualification in 2020. The course will act as an introduction to the University Library, which students are allowed to use when carrying out their EPQs, and will give training in vital research skills. Students in previous years have found this event very useful, not only for EPQ but also for their wider studies.

The Visit Day will last from 9.45am to c 3.00pm. There will be no cost for attending but students will have to make their own travel arrangements to and from the Manchester University campus. May I take the opportunity to remind parents and students that the School's position is that under no circumstances may students give lifts to other students and that parents should consult their own insurers about cover for any school use by their son/daughter. They will be accompanied on the trip by two members of staff.

The students will be allowed to visit cafes and shops around the campus at lunchtime or they may bring a packed lunch. If possible, they should also bring a data stick and a form of student ID.

Yours sincerely
